REMOTE LEARNING – PROGRESS REPORT

Term 2 2020 has been a new and strange experience for everyone. We felt it was important to give parents an overview of their student's progress so far.

Term 2 Progress Reports are now available through Compass.

The following categories and descriptors are used in the reports:

CRITERIA	Descriptor	Descriptor	Descriptor	Descriptor	Descriptor
Maintains contact with Teachers	Consistently	Usually	Sometimes	Rarely	Never
Submits work	Consistently	Usually	Sometimes	Rarely	Never
Meets deadlines	Consistently	Usually	Sometimes	Rarely	Never
Standard of work submitted	Excellent	Very Good	Good	Fair	Needs Attention *

Students who have not submitted set work are all assigned the descriptor "Needs Attention"

If you have any questions or concerns, please contact the class teacher directly via email. If there are serious concerns, please contact the relevant Year Level Coordinator/s.

We will still be completing Semester 1 Reports but they will be delayed until after students return to face-to-face teaching and learning.
