

RHS LIBRARY SPACE

Rutherglen High School provides a supportive space for students, where they can access a wide selection of digital and physical resources. Our Library staff are 'on deck' to assist students with research, and teach them how to access relevant, reliable digital resources. Students are welcome and encouraged to use their Library Space **before school** (from 8.35am), **during lunch times**, and **after school** (until 4pm). Parents/guardians of RHS students are welcome to borrow from our Library, via the Library Space. Please email our Library Manager, Lou Webb with any queries at webb.lou.k@edumail.vic.gov.au.
